

### **Belgium- WHAW 2009**

Our students at the CKH made a project of the theme "Hooikoorts" (hayfever) for the WHAW and edited an information leaflet which was printed and distributed to health insurance organisations, health libraries and homeopaths. We also had this announced on our website:

Hooikoorts: [http://www.ckh.be/whaw/whaw\\_2009.htm](http://www.ckh.be/whaw/whaw_2009.htm).
