

Report on WHAW events in Lithuania in 2009

Information about WHAW and about homeopathy and allergy was placed into the web site HYPERLINK "<http://www.naturaliterapija.lt/>"www.naturaliterapija.lt

On the 15th of April free consultations for patients with allergy were given by phone by homeopaths Jurga Baikauskiene and Daiva Jakubonienė (The center of Natural therapy, Natūraliosios terapijos centras). Patients with allergy also received discount in this center during that week.

On the 16th of April there was an interview on a National television LRT live given by Daiva Jakubonienė, the idea of WHAW was presented.

There was an article “Diseases are caused by our emotions” (Ligas lemia mūsų emocijos) in the journal Natural medicine (Natūralioji medicina) April 2009 number telling about specifics of homeopathic treatment and it's limits.
