

2009
WORLD HOMEOPATHIC AWARENESS WEEK CELEBRATION
At

ARTI CLINIC --- LEICESTER

Arti Clinic-Leicester celebrated Homoeopathic Awareness Week from **09th April: 2009 to 16TH April: 2009.**

.Overwhelming response and booking of patients compelled us to start Charity clinic on one day prior to beginning Homeopathic Awareness Week Thursday which was the 09th April:2009.

Dr. Nikunj Trivedi offered a Free Consultation, Talk and Advice to patients who registered during HAW for One Whole Year as part of creating awareness amongst patients about Homoeopathy .

The clinics were conducted at

- 1. Arti Clinic 91—Jacklin Drive, Rushey Mead Leicester LE4 7SU.***
- 2. Yakub Chemist, 67- Hartington Road, Leicester, LE2 OGQ.***
- 3. St. Theodore Church, Opp: Soar Vally College-Leicester***
- 4. Shree Hindu Temple- St. Barnabas Road, Leicester***

The clinics were open on 9th to 16th April: 2009 from 10:30 AM to 6:30PM and even running beyond that!

The Authorities at the Pharmacy (Yakub Chemist) extended their valued co-operation and whole hearted support to us.

They even offered us free clinic space for the two days. At this point I would like to thank all the staff working at Yakub Chemist for managing the appointments and for the advertising support they offered by distributing the flyers and taking bookings.

We are highly Thankful to Mr. Liyakat Ali, Owner of Yakub Chemist and -Mr. Abdur R. Maravia who is the Manager of Pharmacy and all

Pharmacy Staff, who helped us for booking patients, advising and guiding patients and

Response from patients at the Chemist/Pharmacy was overwhelming!

The Patients were examined and Cases were taken by Dr. Nikunj Trivedi who offered Homoeopathic explanation of the clinical conditions presented by the patients. After a thorough case taking and interpretation well chosen Homoeopathic Remedies were prescribed.

Dr. Mrs Amita Nikunj Trivedi and **Final Year students Mrs. Sharon Harper and Mr. Desmond** - from **The practical Homoeopathic College** were also shared the event.

Leicester based Homeopath **Kim Champion** has also joined the pharmacy clinic to share the event with Dr. Nikunj Trivedi. She also announced the event on her radio talk show on BBC.

A wide variety of Conditions were presented and Dr. Nikunj Trivedi also widely used PQRS, Body Language, Doctrine of Signature And CT=Confirmatory test for selection of Similimum Remedies, Spot the Remedy, Analysis and Evaluation of Chronic Clinical Conditions were very well explained to the fourth year's students

All the patients have highly appreciative the Homoeopathic Awareness week event and were thankful for our efforts to help, guide and impart Homoeopathic awareness.

The following conditions were presented

1. Allergic Asthma
2. Eczema
3. Ring Worms (Tinea ,Ring worm =Fungal Infection)
4. Depression associated with Psychosis
5. Psoriasis complicated with Psoriatic Arthritis
6. Backache
7. Varicose Ulcers
8. Parkinsonism (Paralysis Agitans)
9. Vitiligo
10. Sacro-Iliac Strain
11. Only sertolii cell syndrome
12. Post herpetic neuralgia.
